## African Development Bank disclosure

- Inspired Evolution ("IE") is currently being considered as the prospective Investment Manager for Zafiri – a proposed fund sponsored by African Development Bank ("AfDB") and a few of its Development Finance Institution ("DFI") partners. While no final appointment has been made, and such appointment remains subject to the approval of the Board of Director of AfDB and its participating DFI partners, IE has provided the following Environmental, Social, and Governance Management System (**ESGMS**) policy and capability disclosures in line with AfDB's requirements.
- AfDB has developed the Environmental and Social Management Plan (**ESMP**) as an Annex to the Financing Agreement, which is to be disclosed by the Investment Manager alongside the ESGMS.
- This disclosure does not constitute a binding engagement or appointment and does not create any association, partnership, agency or other business entity or contractual relationship between IE and AfDB and/or any of its DFI partners. This is provided solely for the purposes of transparency and alignment with ESG standards during the preparatory phase of the Fund.
